

PACC MEMBER DISCOUNT WITH ADAM TRAVEL

All PACC members are entitled to a discount when purchasing air tickets, cruises, and vacations packages with Adam Travel. The amount of the discount is calculated at the time of purchase, and varies depending on destination, time of travel, and availability. Discount offered could be as little as \$0.00, \$5.00, or more than \$1,000.00. The amount of a discount **always depends on an individual transaction.**

Adam Travel is a B2B company, therefore we do not offer any discounts to direct clients. But because we treat **PACC as one of our Sub-Agents,** we can extend a discount to **each member of PACC,** who provides us with a special number while requesting pricing of any itinerary.

Please contact the PACC office at 1-773-205-1998 or info@polishamericanchamber.org to obtain the **special number** which **has to be provided during the initial contact with our agent.**

To obtain a discount all members who have the discount special number are requested to contact only the agent assigned to PACC account - Ewelina Szuba.

For all inquiries, please contact Ewelina at:

312-423-4605

ewelina.moldawa@adamtravel.net

A discount is available for majority **international flights, vacation packages** (all major vacation packages suppliers: Apple Vac, Funjet, GoGo, Southwest Vac., United Vac., and more), **majority Tour Operator Packages,** and **all Cruise packages.**

We can pass a discount to a PACC member only when we are able to do so. That's why in some instances no discount will be available.

This discount doesn't apply to following:

- domestic flights (including Hawaii)
- hotel only reservations
- rent-a-car only reservations
- some air flight tickets not originating in USA

Because Travel Industry is very volatile, prices could change literary in a split of a second. With all information generally available online via booking engines, it is possible that in some instances (**very rarely**) our prices for some itineraries won't be competitive with online offers, but in **most cases PACC members will significantly benefit from our offer.**
